RE: Operations Advisory – Planned Electrical Maintenance B9062

As part of regular electrical maintenance, Contract Operator will be performing a rescheduled outage in building 9062; this includes switching feeders to Buildings 9040, 9042, 9052 and 9060 per schedule below. Switching feeders does not require a shutdown of any buildings but will require access to all substations.

- Apr 23, 2021/ AFTER 3:00 PM - Switch feeders over to B side of building main feeders (PB2)
- Apr 24, 2021 / Midday - Switch feeders over to A side of building main feeders (PA2)
- Apr 24, 2021 / Throughout the day – Finish; balance load to site.

Maintenance is expected to be complete by End-of-Day Apr 24, 2021

If you should have any questions, please do not hesitate to contact Shelly Jost at OccupantServices@uastp.com. In addition, please visit www.uastp.com to stay informed on recent operational advisory announcements.

Thank You.
