RE: Operations Advisory – Fire Pump Maintenance B9012

---

**Please be advised:**

On Friday, July 16, 2021 from 5:00 AM until 5:00 PM Contract Operator will be performing maintenance work on the Fire System Water Supply at Building 9012. During this time the fire water system will not have a redundant fire pump as the electric fire pump will not be available. The diesel fire pump will be the only pump to provide fire water service to the site.

Contract Operator requests that no other fire system work or fire sprinkler maintenance be performed during this time.

Red tag permits shall not be issued for Friday, July 16<sup>th</sup>.
