RE: Operations Advisory - Underground fire main 9016

Please be advised:

Contract Operator will be performing work on the underground fire main located North of building 9016 beginning Wednesday, January 19, 2022, and will be completed the same day. During this time, the fire pumps will be activated for several minutes to flush the system.

If you have any questions, please do not hesitate to contact Heather Head at OccupantServices@uastp.com.

In addition, please visit www.uastp.com to stay informed on recent operations advisory announcements.

Thank you
