

**TO:** UASTP Project Occupants

**FROM:** Jacobs as Contract Operator

**DATE:** January 4, 2022

**RE:** Operations Advisory – Domestic Cold-Water Shutdown – Leak Repair

---

**Please be advised:** The Domestic Cold-Water System will be shutdown beginning at 2:00 AM and will be restored to full service no later than 10:00 AM on Saturday, January 15, 2022, to facilitate contractor leak repair in the Spine.

If you should have any questions, please do not hesitate to contact Heather Head at [OccupantServices@uastp.com](mailto:OccupantServices@uastp.com). In addition, please visit [www.uastp.com](http://www.uastp.com) to stay informed on recent operational advisory announcements.

Thank You.
