RE: Operations Advisory - DCW backflow device testing for Building 9040

Please be advised:

Contract Operator (CO) will be conducting DCW backflow device testing for Buildings 9040 on Friday, 14 August 2020. The proposed schedule is below.

SCHEDULE

Friday, 14 August 2020: Building 9040 - Work will begin at 5:00 AM and is expected to be completed no later than 7:00 AM

While backflow device testing is being performed, the potable water supply to the buildings will be shut off. Please let CO know if there are any issues with the date & time of this testing.

Thank you for your cooperation with scheduling this maintenance work.

If you should have any questions please do not hesitate to contact Shelly Jost at OccupantServices@uastp.com. In addition, please visit www.uastp.com to stay informed on recent operations advisory announcements.

Thank you
