**RE: Operations Advisory - DCW backflow device testing for Building 9060**

---

**Please be advised:**

Good Afternoon,

Contract Operator (CO) would like to schedule DCW backflow device testing for Building 9060 on Monday, 24 August 2020.

The proposed schedule is below.

**SCHEDULE**

Building 9060 - work will begin at 2:00 AM and is expected to be completed by 4:00 AM

While backflow device testing is being performed, **the potable water supply to the buildings will be shut off.** Please let me know if there are any issues with the date & time of this testing.

Thank you for your cooperation with scheduling this maintenance work.

Thank you
