**RE: Operations Advisory - DCW backflow device testing for Building 9062**

---

**Please be advised:**

Contract Operator (CO) will be conducting DCW backflow device testing for Buildings 9062 on Tuesday, 25 August 2020. The proposed schedule is below.

**SCHEDULE**

Wednesday, 25 August 2020: Building 9062 - Work will begin at 2:00 AM and is expected to be completed no later than 4:00 AM

While backflow device testing is being performed, the potable water supply to the buildings will be shut off. Please let CO know if there are any issues with the date & time of this testing.

Thank you for your cooperation with scheduling this maintenance work.
