RE: Operations Advisory – Security Operations Center Paging System

Contract Operator will be performing maintenance on the UPS system from 6:00 am until 4:30 pm on Saturday, August 28, 2021.

During this time, All SCADA, Voice over IP, Cameras, and Computer systems will be off-line and all persons making calls to the Site Security Operations Center must use 520-799-3911.

If you should have any questions, please do not hesitate to contact Heather Head at OccupantServices@uastp.com. In addition, please visit www.uastp.com to stay informed on recent operational advisory announcements.

Thank You.
