**RE: Operations Advisory – Equipment testing outside of building
9070**

Please be advised:

Equipment testing outside of building 9070- south side- will occur between 7:00 AM -12:00 PM on Thursday,

September 5th and Friday, September 6th.

The area will be open for pedestrian traffic. Please use caution and follow instructions of site personnel regarding passing in the area for safety purposes.

If you have any questions, please do not hesitate to contact Sherrie Wofford at OccupantServices@uastp.com.
