**FROM: Jacobs as Contract Operator**  
**DATE: November 6, 2024**  
**RE: Operations Advisory – Upcoming Facilities Equipment Delivery to B 9060**

**Please be advised:**

---

Tech Parks Arizona Facilities and Maintenance will be utilizing the covered spine between building 9072 and 9060 for equipment delivery on Tuesday, November 12<sup>th</sup> and Wednesday, November 13<sup>th</sup>. The area may be closed to pedestrian walking for short periods of time. Contractors will be authorized to close the area with tape and will have flaggers on site to keep occupants out of the area.

These activities require site occupants to be vigilant in safety procedures and continue to stay clear of the area. Traffic control and fencing will be provided, and this safety zone is not to be entered by unauthorized personnel. Do not walk in the area of work. Crews will be on site from 4:30 AM until approximately 3:00 PM each day per the schedule above.

We apologize for any inconvenience this may cause and appreciate your understanding.
