RE: Operations Advisory – Electrical Maintenance Shutdown

Please be advised:

As part of regular electrical maintenance, Contract Operator will be performing a scheduled outage **in buildings 9070 and 9072 on Saturday, January 11, 2025.**

This maintenance activity includes switching feeders to Buildings 9016, 9018 VCE, 9070 and 9072 per the schedule below.

Switching feeders **does not require a shutdown** but will require access to all substations.

- **January 10, 2025** / Switch feeders over to A side of building main feeders (PA5)
- **January 11, 2025** / Midday - Switch feeders over to B side of building main feeders (PB5)
- **January 11, 2025** / Throughout the day – Finish; balance load to site.

Maintenance is expected to be complete by End-of-Day Saturday January 11, 2025

We apologize for any inconvenience this may cause and appreciate your understanding as we perform this essential maintenance.

If you have any questions, please do not hesitate to contact Desiree Mata at OccupantServices@uastp.com.
