RE: Operations Advisory – Building 9020 / 9030 Exterior Painting of Canopy

Please be advised:

On Saturday, April 12th, from 5:00 AM to 4:00 PM, the canopy in front of buildings 9020 and 9030 will be painted. Exits/Entrances will be temporarily closed for the day during this time period.

Please use alternate doors as appropriate on this day and obey all signs/notices/barricades. These activities require site occupants to be vigilant and stay clear of work areas.

In addition, starting the evening of Friday April 11th, an area of the parking lot in front of this work area will be blocked off to prevent vehicles from being impacted by overspray.

These areas are not to be entered by unauthorized personnel.

If you have any questions, please do not hesitate to contact Desiree Mata at Desiree.Mata@jacobs.com.

In addition, please visit www.uastp.com to stay informed on recent operations advisory announcements.

Thank you for your cooperation.
