RE: Operations Advisory – Building 9062 Exterior Painting

Please be advised:

Starting on Monday, April 14th, and for the following twelve (12) weeks, power washing followed by painting will begin at building 9062.

Exits/Entrances will be temporarily closed for a day at a time. No more than one entrance will be closed at a time. Interior/exterior signage will be posted.

Please use alternate doors as appropriate on these days and obey all signs/notices/barricades. These activities require site occupants to be vigilant and stay clear of work areas.

These areas are not to be entered by unauthorized personnel. The painting crews will be starting daily between 5:30 AM and 6:00 AM.

If you have any questions, please do not hesitate to contact Desiree Mata at Desiree.Mata@jacobs.com.
